Mr. Harris is an earnest talker, who seldom says things for publication, and his companions eagerly drank in every

word he uttered. "I am sending 'The Third Degree' out on the road this season, when you, I and the general public know full welf that it could stay on at the Hudson Dan Brown was in Marshfield Tues. The Lion and the Mouse, but I will Dan Brown was in Marshfield Tuesday.

Frank Page of Marshfield was in town Monday.

C. A. Wing dressed a hog that weighed 507 pounds.

West Wheeler of Woodbury was in town recently.

Miss Louise Watt of Barre was in the Lion and the Monse, but I will strike an appreciative chord by this move from the great pleasure loving, deep thinking public who never get to New York, by giving them this vital dramatic triumph before it becomes too tried here. 'The Third Degree,' as is my wish, and, I might say, Mr. Klein's, will go on the road for a tour of the country, then into Chicago and then back to New York to fill out the time I original. Miss Louise Watt of Barre was in to New York to fill out the time I originally laid out for it, before I arranged

d. D. Hawkins'.

Mrs. Clerkin and son have left town ever he can. Is that he never has, nor will send a failure on the road, and that the things now on sale. he has had more than his share of successes is to be plainly known when Mrs. L. O. Leonard was in South plays produced by him were instantaneous successes, including in the main "The Traveling Salesman," "The Chorus Lady," "The Lion and the Mouse," which made a fortune for its author and the producer, and now comes "The Third Degree" by the same author, Charles Klein, and already it has exceeded the ecord of the former Klein success and Miss Mabel Hatch of New Hampshire drama, "The Lion and the Mouse." Local Ellen Charles and friend were callers in Mrs. McGovern attended the funeral, but town Sunday.

Willard Austin has returned from latest Klein play December 8, when it will be critished to as she is a latest town sunday.

### THE NORTH POLE.

How an Explorer Tells When He Has Reached Latitude 90 Degrees.

In the sledge trip to the pole, a discould be carried, and especially so it the final dash like that accomprished Over 100 persons attended the meet ed her mother, Mrs. Rob. Emery, and by Cook and two Eskimos, says Proing of the Topic club in Bethany church sister, Mrs. O. W. Guermey, Saturday fessor Alfred Mitchell of Columbia university. The ordinary navigator's sextnot would be too beavy and bulky and would have to be replaced by a less cumbersome Instrument. Penry ordinarily carried a small sextant, a so called pocket sextant. The ship's chronometer in its square case would Mrs. Charles Stevens, who has been give way to a good porket timepiece.

ters might be carried. The sea captain observes the aftitude of the sun by bringing it in connect morning for Windsor. While here, he with the borizon, where sea and sky meet. But in the frozen north there is no such horizon, the Ice floes are Mrs. Mark Chadwick and daughter, thrown up into hummocks and hills. visible horizon would lend to inaccurate results. On land explorations an The condition of Fred Jerd, who has artificial horizon is made by pouring horizontal by means of spirit levels was used by Cook and well answered the purpose

in a polar dash the latitude is the important information desired. Longitude-i. e., the difference between local and Greenwich time-is difficult to obtalp and inaccurate. Consequently latitude must be determined by methods which will not involve an accurate knowledge of the time. The sun's greatest altitude during the twenty four hours would give the time of lo cal noon, and latitude from such an observation could be readly determined, and twelve hours later, at midin decilnation in the sky), then was the latitude 90 degrees and the north pole was reached. It is readily seen the small instruments, the difficulty of determining horizon and the bitter cold combine to make observations of no great accuracy. Under such conditions it is questionable whether the position of the pole could be determined within ten miles.-New. York World.

A Turn Down. Snaggsy-Beg pardon, mister; I'm a stranger in dese parts. Farmer Harrow-Well, I dunno of anybody that wants to git acquainted with ye (Turns away.) -- Boston Transcript
